

Fortified With Value of  
Selenium, Biotin,  
Electrolytes & Dextrose

# AVS-C-400

Liquid Vitamin-C

Immune

Stress

Detoxification

### NATURAL VITAMIN C

- Antioxidant activity is almost six times higher than synthetic Vitamin-C.
- Highly stable and bioavailable to birds
- Works in aqueous phase as well as lipid phase giving broad spectrum protection from free radicals.

### SYNTHETIC VITAMIN C

- Antioxidant activity is narrow
- Quite unstable and less bioavailable
- It works only in aqueous phase and therefore lipid phase is not guarded

*We Always Give Worth !!*

# Why Cold Pressed Extraction?

## PRESERVATION OF NUTRIENTS :

Raw material is not pasteurized at high temperature hence the original nutrients & essential enzymes are retained efficiently.

## MAXIMUM NUTRITION :

Natural fruit sugars, Vitamins, trace minerals, enzymes & other vital elements are extracted gently & completely.

## EASY TO ABSORB :

Our cold-pressed extract is rich with easy-to-absorb vitamins, minerals, proteins & enzymes.

## REDUCES OXIDATION :

Minimum exposure to heat & air resulting in minimum oxidation of ingredients.

## LONG LASTING FRESHNESS :

Shelf life of the product is increased.

## COMPOSITION :

Vitamin C from Cold Extracted Amla, Selective Phytogetic Substances, Dextrose, Essential Nutrients, Enzymes Selenium, Biotin & Electrolytes.

## BENIFITS:

- 🐔 Prevents stress due to heat and other environmental conditions.
- 🐔 Enhances productivity in Broilers, Commercial layers & Breeder hens especially during hot climate.
- 🐔 Improves intake & absorption of minerals.
- 🐔 Improves immunity and prevents damages due to oxidation.

## RECOMMENDED FOR :

Meeting the requirement of vitamin C during stress by heat, transportation, overhanding & overcrowding. Improving FCR, growth egg production & shell quality. Improving fertility & hatchability in breeders. Better immunocompetence. Maintaining electrolyte balance.

## USAGE :

1-2 ml per litre of water (or as directed by the veterinarian).

**1 Ltr, 5 Ltr & 20 Ltr.**
